Councilman John Maggio

Councilwoman Jen Mazzocco

Councilman Jeff Fabus -- **Absent**

#### Staff:

Jason Walsh Mayor

Benjamin Estell Borough Manager

Mike Bisignani Chief of Police

Attachment: Council Meeting 03-05-2018 (1671 : Council Meeting Minutes)

Mat Davis Fire Chief

John Rushford Solicitor

#### 4. Registered Comments from the Public

#### 5. Committee Reports

**Public Safety and Building & Code Enforcement:** Mazzocco briefed on the Fleet Management Plan and getting a local government academy intern. Chief Davis will talk about the ladder truck sale. Mazzocco mentioned the need for future renovations of the fire station, with the department being busier and how hard it is to recruit and maintain volunteers; they are looking to expand the training and office space. Mazzocco stated Chief Davis applied for a FEMA Grant for new fire gear.

Mazzocco mentioned the West Liberty Avenue crosswalks, Estell will go into detail.

Mazzocco concluded with information regarding the purchase of a new police car for the police department as Car One has had persistent electrical problems over its lifetime. The new police car wouldn't be delivered for at least six months.

Chief Davis stated the Fire Department had 28 calls for February. Davis briefed on how smoke detectors that were installed by the Fire Department in a burned unit saved the neighbors. The Building and Code Enforcement Department issued 50 permits.

Chief Bisignani stated the Police Department had 139 calls for February. Bisignani briefed on the recent car break-ins by a juvenile crew with duplicate keys and other tools and charges have been filed between the City of Pittsburgh and Dormont. Bisignani urged residents to lock cars and don't leave change visible.

**Business District Relations and Development:** Lehman briefed on how well the Business District Relations meeting went last week. Representative Dan Miller attended; great feedback from everyone in attendance.

**Recreation and Community Affairs:** Ventresca briefed on the February 12, 2018 meeting regarding the concession stand contract, recommendation to offer free pool passes for volunteer firefighters and families, and local government week activities. Ventresca mentioned the April 9, 2018 meeting will be an Open House/Coffee with Council event from 6pm until 8pm; more information to come. Beth is working on a Farmers' Market to be held on Sunday mornings in the Potomac Avenue area.

The next meeting will be March 12, 2018 at 6pm.

**Planning, Sustainability and Inclusion:** Bouldin briefed on the February 20, 2018 Meeting regarding the 2018 Strategic Process. During this meeting Estell did a short presentation clarifying the distinction between strategic planning and comprehensive planning. Bouldin mentioned that there was a group brainstorming session. Seth Davis, the Chair of the Planning Commission, provided a short review of the Commission's Review of the existing Comprehensive Plan. Bouldin mentioned they went through the 2013 Strategic Plan and Ben helped show which action steps have or have not yet been accomplished.

**Property, Supplies and Public Works:** Fabus was absent. Estell mentioned that the February meeting was cancelled.

**Finance and Legal:** Fabus was absent. Abel mentioned there was a meeting in February with nothing major to report.

## 6. Comments from the Mayor

Nothing at this time.

## 7. Council President's Report

Abel thanked Lehman, Ventresca, Mazzocco, and Bouldin for attending the Business District Relations and Engagement Meeting.

Abel announced the Community Engagement Fair will be held on March 15, 2018 and all of the organizations that were invited will be attending. The location for the meeting may be changing due to the amount of attendees.

Abel commended all of the committees for their work.

## 8. Borough Manager's Report

Estell mentioned that the Audit is in its final week at the borough building and everything looks good so far. Next week is the Liquid Fuels Audit.

Estell briefed on the safety of two West Liberty Avenue crosswalks and the Signal Optimization Grant with PennDot which is currently scheduled for 2021, but can be pushed up. Estell is planning a meeting with the school superintendent, the mayor, and the police chief to discuss the child safety issues crossing West Liberty Avenue.

Estell stated he is hoping to install an additional light and signal at Biltmore and West Liberty Avenues to deviate traffic from residential streets at the Port Authority lot and

increase the value of this property.

Estell briefed on the safety options for the un-signalized crosswalks located at the Post Office and Tom's Diner. The lighted crosswalks, like the one in Mt. Lebanon near the Washington School, are now illegal.

Estell mentioned striping all of the crosswalks on West Liberty Avenue. According to Pennsylvania law, you are allowed to have an unsignalized crossing and traffic must stop. The borough bears no liability, plus it is a State Highway. The borough cannot remove it without PennDot's permission.

The applications for the two interns have been submitted by the deadline.

The borough won a Governor's Award for Local Government Excellence for Innovative Design for Potomac Avenue and is welcomed to the Governor's Mansion in April to receive the award.

Estell briefed on the email migration process and stated we are still waiting on paperwork from Microsoft to allow us on to the government servers to protect our information.

Estell met with the Port Authority regarding the redevelopment of Dormont Junction. Some discussion on why Raleigh Avenue is only one way; the borough only owns half of the street.

Estell mentioned his absence throughout March.

The Banner Community Award Ceremony is March 23, 2018; waiting for more information.

Bouldin asked Estell about the timeline for the Engineering Study for the crosswalks as it relates to painting the crosswalks. Estell referred to Wayne McVicar who will find out.

## 9. Consent Agenda

<b>RESULT:</b>	<b>ADOPTED [UNANIMOUS]</b>
<b>MOVER:</b>	Daniele Ventresca, Vice President
<b>SECONDER:</b>	Drew Lehman, Councilman
<b>AYES:</b>	Abel, Ventresca, Bouldin, Lehman, Maggio, Mazzocco

**PROFESSIONAL SUMMARY**

I am a critical thinker who is adept at working collaboratively with teams in the areas of project management, problem solving, process improvement, and customer service, among others. I am a natural-born planner who is experienced in written and verbal communication, including public speaking. I greatly desire to engage in meaningful work for an organization that fosters innovation and continuous improvement.

**WORK EXPERIENCE****UnitedHealthcare** - Community and State

November 2016-Present

*Associate Project Manager*

- Lead growth, internal initiative, and data migration projects
- Define project scope and identify project risks
- Serve as liaison between Business Intelligence team and all other functional areas
- Host Project Steering Committee discussions with management and project teams
- Monitor monthly time tracking for on-site and off-shore project team members
- Manage leadership strategic initiative to improve employee development and training
- Assist in prioritizing assigned work to ensure projects are completed on time and in scope
- Contribute to continuous process improvements and team innovation

**Accenture LLC** - Business Procurement Outsourcing

June 2015-Present

*Sourcing Project Manager*

- Managed multiple, cross functional projects with both internal and external stakeholders
- Communicated regularly with vendors to plan on-site presentations and other meetings
- Remediated issues between clients and vendors throughout the project lifecycle
- Structured projects to meet customer goals and objectives
- Developed project content and strategy according to key business drivers
- Contributed to goal of process improvement and consistency across teams
- Provided data, project, and/or vendor updates to project teams and customers
- Oversaw project timeline, resources, and vendor management

**UPMC Health System** - Supply Chain Management

May 2014-June 2015

*Sourcing Analyst*

- Managed sourcing projects such as Requests for Proposals and Requests for Quotations
- Evaluated incoming contracts and negotiated purchase terms and conditions
- Communicated with business units to improve adherence to departmental policies
- Hosted business reviews with existing partners
- Engaged in process improvement of decentralized policies
- Investigated current processes to determine compliance status
- Analyzed spending patterns and pricing structures
- Led special projects as assigned, ex. contract coverage expansion initiative for IT and telecommunications

MEMORANDUM

**Date:** March 14, 2018

**To:** Benjamin Estell, Borough Manager

**From:** Wayne R. McVicar, P.E., Borough Engineer *WRM*

**Subject:** RECOMMENDATION OF AWARD  
2018 Open Cut Spot Repair Project

In February the Borough advertised for bids for the 2018 Open Cut Spot Repair Contract. On Wednesday, March 14, 2018, the Borough received bids for the project. Four sets of bid documents were issued/sold and two bids were received. The following are the results of the bids received. A bid tabulation for project is attached:

- |  |                        |
|--|------------------------|
| 1. NIANDO Construction, Inc.<br>Pittsburgh, PA 15235 | Base Bid: \$ 69,777.00 |
| 2. Soli Construction, Inc.<br>Irwin, PA 15642        | Base Bid: \$123,299.00 |

My review of the bids indicates that all totals are mathematically correct and do contain all required documentation properly executed in accordance with the requirements of the bid specifications.

The Borough is familiar with the work of the low bidder, NIANDO Construction, Inc., having worked with them in the past, most recently on the 2016 Open Cut Spot Repair Project and the Potomac Avenue Reconstruction Phase II Project. My experience with this contractor is that they complete the projects within budget in a timely professional manner.

After review of the bids, I find the apparent low bidder, NIANDO Construction, Inc., to be the lowest responsive and responsible bidder. Based upon the Borough's experience with this bidder and the value of the bid, I would recommend award of the Contract to **NIANDO Construction, Inc.** in the amount of **\$69,777.00**.

Borough of Dormont 2018 OPEN CUT SPOT REPAIR CONTRACT TABULATION OF BIDS RECEIVED DATE: MARCH 14, 2018				Niando Construction, Inc. 620 Long Road Pittsburgh, PA 15235		Soli Construction, Inc 120 Tropiano Lane Irwin, PA 15642
